REAL HORSE POWER and SOLID AXLES

From the President's Laptop

April 2015

The 2015 driving season has officially started with our Michigan Chapter Spring Meeting at Karl's Cabin in Plymouth April 4th. The weather was perfect, the sun was bright, the temp was in the 50's and my old chariot ran & drove well after the winter layover. From my perspective, the meeting was a success before it even started ! Paul & Cheryl Lemieux got to drive their new Chrystal Red Metallic baby (less than 500 miles on the odometer). Congratulations, Paul, nice ride.

John Hutchins was re-elected Club Secretary for another 2 years of loyal service. The writer is honored to accept another 2 year term as your President.

Once again, I feel compelled to remind you that this is your club, so your feedback & suggestions are always encouraged & appreciated.

Michigan Chapter has selected a full slate of Club Events for 2015 that we believe the membership will enjoy from May 17th thru Oct 3rd.

- Our kickoff event was the Battle Creek C C annual show at Cornwell;s Turkeyville May 17.
- June 21 is the Father's Day Car Show at Historic Charlton Park in Hastings.
- Corvettes at the Summit in Canton on July 11 is always a good show.
- July 25 is a cruise-in to Chelsea for shopping & lunch at the Common Grill during downtown Arts & Craft show. Parking across the street from Chelsea Police Dept at 311 N Main.
- Caravan to SACC National Convention in Fife, WA Jul 28- Aug 1—in planning stage.
- Sept 19 is the Paragon Open House, Swartz Creek. Bring your wish list.
- Fall Color tour Oct 3 (Oct 10 raindate). Breakfast at Chelsea Big Boy, leisure caravan to Uncle John's Cider Mill in St Johns.

We look forward to seeing you at our 2015 events.

Bill Huffman, Pres.
Michigan Chapter SACC

Solid Axle Corvette Club

The Solid Axle Corvette Club is for enthusiasts who drive and show America's first sports car., our beloved C1's. The Solid Axle Corvette Club invites you to share our enthusiasm and dedication to the Solid Axle Corvettes, and to enjoy the fellowship of our members.

SACC is the initials of the Solid Axle Corvette Club. So, just what is a solid axle Corvette? The rear axle housing on all 1953 to 1962 Corvettes was a one-piece shell. The rear differential (rear gears) and the axles were mounted within this rear axle housing. (The rear axle housing is sometimes called a solid [or straight] axle housing.)

Beginning with the 1963 model year, Corvettes had an independent rear suspension (IRS). The rear differential is built into the center housing: universal joints and short shafts (called jack shafts) transfer power to the rear wheels. Each rear wheel reacts independently to the road surface, and has earned the nickname "rubber axle".

The Solid Axle Corvette Club (SACC) is a non-profit organization dedicated to the preservation, care, history, and enjoyment of the 1953 to 1962 Corvettes. Ours is a family oriented club with membership covering all members of your family. You do not need to own a Corvette to join.

Road Rules

The **Michigan** is the quarterly newsletter for the Michigan Chapter of the Solid Axle Corvette Club and is published four times yearly (Spring, Summer, Fall & Winter). It is published in PDF format, e-mailed to members in good standing.

Membership in the Michigan Chapter is open **only** to members of the parent organization, the Solid Axle Corvette Club. The Solid Axle Corvette Club is a non-profit organization, serving members with an interest in 1953—1962 model year Corvettes. Ownership of a Solid Axle or any Corvette is not necessary to become a member of the organization.

The newsletter provides a forum for members to communicate with other members. As a result, the newsletter will often contain member opinions. Those opinions should not be construed as an endorsement by Michigan SACC or the parent organization, SACC.

Direct National SACC Membership questions to:

Lucy Badenhop, SACC NATIONAL
P.O. Box 2288
N. Highlands, CA 95660-8288
badenhop@comcast.net

Michigan membership dues, inquiries and corrections to the address list should be directed to the Treasurer:

Kathy Hutchins
9417 N. Rich Rd.
Alma, MI 48801
kjh41@hotmail.com

Membership renewal and application form on previous page.

Please submit articles for publication to the editor. Generally, articles for publication should follow the broad theme of anything of interest to the Solid Axle Corvette community". Suggested items for publication would include how-to articles, parts information, performance issues, scheduled events, restoration or repair information, and personal stories.
