## May 2018

We held our Spring Annual Membership Meeting on Sat May 5, 2018 at The Brookshire Inn, Williamston, MI. We started a little later this year because the snowbirds were late returning home. An early May meeting allowed more of us to uncover the old chariots and enjoy the spring drive. Tom & Sue Gamache drove their '54, Don Baron brought his '54 Allard (one of Zora Arkus Duntov's aluminum bodied predecessors to the Corvette), Paul & Cheryl Lemieux brought their '59 and Stef & I brought our '60. \$190 in gift certificates were given away compliments of Paragon.

Per our Non-profit LLC By-laws, club officers are to be elected at the annual meeting. Our officers for 2018-2019 are Cheryl Lemieux, Secretary, Paul Lemieux, Treasurer, Tom Gamache, VP, Dave Ruby, Editor/2<sup>nd</sup> VP & Bill Huffman - President. All were elected by unanimous vote of those present.

We selected several venues as MI SACC club events that we believe you will enjoy. Our initial Mi SACC event will be **Corvettes at the Summit** in Canton, MI on 14 July 2018. Tom & Sue Gamache will champion this event and will once again host our pre-show gathering. [www.corvettesatthesummit.com/index.html](http://www.corvettesatthesummit.com/index.html)

We also believe you will enjoy the new all **Corvette show & swap meet** at the **Gilmore Museum**, Hickory Corners, MI on 22 July 2018. How can they have a successful Corvette event without the C-1s attending? See you there...

[www.gilmorecarmuseum.org/event/new-show-years-corvette-show-swap-meet/](http://www.gilmorecarmuseum.org/event/new-show-years-corvette-show-swap-meet/)

For those of you who have not yet sent in your Chapter membership dues, they should be sent to

Paul Lemieux  
MISACC Treasurer  
403 Loris Ln  
Oxford, MI 48371

<https://www.solidaxlecorvettemi.com/membership-application>

Note that choosing the 3 year option, not only is the membership cost reduced, but this year only, we can avoid the increase in SACC national membership dues which we anticipate will be announced at the 2018 SACC Convention in Ventura, CA in July 2018. It's hard to refuse a deal like that. I know I didn't.

**However, one of the action items at our membership meeting is related to both membership & the newsletter.** After 10 years of providing courtesy copies of the MI SACC Newsletter to all active SACC National members within the borders of Michigan; we have decided that perhaps a different approach is necessary to generate interest in SACC Michigan Chapter. As of the Spring 2018 issue, if you wish to continue receiving this newsletter, we need a response from you directly via a MI SACC member application. If we receive no response by June 1, 2018, your next correspondence from MI SACC will be a courtesy copy of the Spring 2019 Michigan Chapter SACC newsletter, assuming you are still an active SACC National member. **By submitting your application before June 1st, your membership in Michigan Chapter will extend from June 2018-Dec 2019.**

On a more somber note, we lost one of our chapter friends, Art Wyman last Dec & we had the honor of attending his memorial service on April 28<sup>th</sup>. Art was not only a good friend but good man. He & his wife Carol helped Noland Adams coordinate the 2003 SACC Flint Convention. He accompanied us to almost every National SACC Convention since. His good humor, infectious smile and hearty laughter will be missed. Godspeed, Art.

Bill Huffman, Pres. Michigan Chapter SACC,

**Don't forget our website: [www.solidaxlecorvettemi.com](http://www.solidaxlecorvettemi.com)**

**Greetings to all Michigan SACC members  
from the 2018 MI SACC Board.**

**Save This Date:

# **2019 SACC CONVENTION**

**MI SACC will continue to plan and schedule activities  
as the host chapter for the 2019 SACC Convention in the Detroit area.**

**We are encouraging all members to engage in the SACC Convention process.  
The Chapter needs volunteers for assisting in the planning, and implementation of the events for the 2019 Convention.**

# Solid Axle Corvette Club

The Solid Axle Corvette Club is for enthusiasts who drive and show America's first sports car., our beloved C1's. The Solid Axle Corvette Club invites you to share our enthusiasm and dedication to the Solid Axle Corvettes, and to enjoy the fellowship of our members.

SACC is the initials of the Solid Axle Corvette Club. So, just what is a solid axle Corvette? The rear axle housing on all 1953 to 1962 Corvettes was a one-piece shell. The rear differential (rear gears) and the axles were mounted within this rear axle housing. (The rear axle housing is sometimes called a solid [or straight] axle housing.)

Beginning with the 1963 model year, Corvettes had an independent rear suspension (IRS). The rear differential is built into the center housing: universal joints and short shafts (called jack shafts) transfer power to the rear wheels. Each rear wheel reacts independently to the road surface, and has earned the nickname "rubber axle".

The Solid Axle Corvette Club (SACC) is a non-profit organization dedicated to the preservation, care, history, and enjoyment of the 1953 to 1962 Corvettes. Ours is a family oriented club with membership covering all members of your family. You do not need to own a Corvette to join.

## Road Rules

The **Michigan** is the quarterly newsletter for the Michigan Chapter of the Solid Axle Corvette Club and is published four times yearly (Spring, Summer, Fall & Winter). It is published in PDF format, e-mailed to members in good standing.

Membership in the Michigan Chapter is open **only** to members of the parent organization, the Solid Axle Corvette Club. The Solid Axle Corvette Club is a non-profit organization, serving members with an interest in 1953—1962 model year Corvettes. Ownership of a Solid Axle or any Corvette is not necessary to become a member of the organization.

The newsletter provides a forum for members to communicate with other members. As a result, the newsletter will often contain member opinions. Those opinions should not be construed as an endorsement by Michigan SACC or the parent organization, SACC.

**Direct National SACC Membership questions to:**

Lucy Badenhop, SACC NATIONAL  
P.O. Box 2288  
N. Highlands, CA 95660-8288

Membership renewal and application form on previous page.

**Please submit articles for publication to the editor.** Generally, articles for publication should follow the broad theme of anything of interest to the Solid Axle Corvette community". Suggested items for publication would include how-to articles, parts information, performance issues, scheduled events, restoration or repair information, and personal stories.
