From the President's laptop

April 2017

Finally, a bright sunny, dry spring day that warms your heart and makes it possible to go rev your car's engine----again.

Stef & I spent most of January in Florida to get a taste of snow-birding to see if perhaps we might enjoy it. Sure beats the cold & snow we left behind but unfortunately, I had no Corvette to drive. I was forced to settle for fresh strawberry shortcake at the Strawberry Festival in Plant City, FL instead. We got home in February to such warm weather that I reactivated the insurance on my 2005 and got quite a bit of seat time before winter came roaring back.

To those of you who are already snow-birds and those of you who would like to be, the SACC National Convention in Oct 2017 near Lakeland, Florida is a unique opportunity for a trifecta. What could be better than combining Late Fall, Corvettes & Florida??? Details are enclosed in this newsletter. See pages 8-10. Some SACC Mi chapter members are considering caravanning down, if you're interested contact me at SWH73@comcast.net.

Michigan Chapter's 2017 club events were chosen at our Spring Membership Meeting held at Brookshire Inn, Williamston on April Fool's Day, but no prank intended. Even Michigan State University played it's Spring Football Game on the same day 5 miles down the road.

We hope you are able to attend all of our 2017 events. See schedule on page 5. Suggestions are always welcome for next year. Don't be shy. If you like it, your fellow members would too.

IT'S OFFICIAL !

The Michigan Chapter will be hosting the 2019 SACC National Convention in the Detroit Metro area. This is an opportunity to show off our cars on a big stage, close to home. Planning is for mid-August 2019 in the week leading to Woodward Dream Cruise. This is a terrific opportunity and we need your participation to make this a success.

Next meeting April 22 at Chelsea Big Boy 10:00 am.

Bill Huffman, Pres.
Michigan Chapter SACC

Don't forget our website: www.solidaxlecorvettemi.com

MICHIGAN SACC MEMBERSHIP MEETING

SATURDAY APRIL 1, 2017 11:00 AM TO 1:00 PM

BROOKSHIRE INN—WILLIAMSTON, MI

L to R: Stef and Bill Huffman, Patrick Lickfeldt, Ira Rosenberg, Ron and Lorraine Melaragni, Kathy and John Hutchins, Tom Gamache, Kandy and John Ronayne at Brookshire Inn planning 2017 activities + 2019 Convention

This handsome group of C-1s owners, lovers, caretakers and drivers met in Williamston, MI on April 1 to prepare the MI SACC schedule of events for this coming spring/summer/fall 2017. Each event has a sponsor, who will be responsible for coordination and communication of the timing, and pre-registration requirements and to generally keep the cats moving in the right direction.

Specific details, registration info and event directions will follow in subsequent newsletters.

**Greetings to all Michigan SACC members
from the 2017 MI SACC Board.**

**“Michigan” is your window on the Club, review the 2017 schedule of events and
make your plans. We hope to see a lot of you this 2017 driving season**

NOW FOR THOSE INTERESTED

Sunshine State Solid Axle Club introduces

2017 SACC NATIONAL CONVENTION PLANS:

We expect most of you are, at least, vaguely familiar with Florida. And, we're relatively certain that when you do think of Florida, you dream of beautiful blue water, sandy white beaches, spectacular winter weather, Disney World, Universal Studios, Sea World, NASCAR and, of course, an occasional Hurricane.

However, there is a part of Florida that most visitors to the state are unfamiliar with and just never see. That being South Central Florida – home of vast cattle ranches and huge citrus orchards. This area of Florida takes you back to the time when our cars were new. When the solid axle cars first roamed the Florida Highways, there were no Interstates and Orlando was a sleepy little winter resort town; and, Mr Disney had not even thought about buying up every available inch of Orange County Florida Real Estate.

The Westgate River Ranch Resort is located on Florida State Route 60 roughly 25 miles East of Lake Wales. Other than the food available at the resort, the closest restaurants are in Lake Wales. And, while the Resort General Store carries some groceries, the closest

full service grocery stores are the Super Walmart, Publix or Winn Dixie located in Lake Wales. Should you decide to purchase some late-night snacks/beverages to bring with you, there is a coffee maker, refrigerator and microwave in each resort room. The closest gas station is 15 miles from the Resort. For convenience, people arriving at the resort from the West should fill their gas tanks in Lake Wales – those arriving from the East should fill up at the Travel Center in Yee Haw Junction.

For those wanting to go "shopping" there is a Super Walmart and a Bealls Outlet in Lake Wales but more and varied shopping opportunities are Winter Haven (40 miles Northwest) and the VF outlet mall in Vero Beach (50 Miles East) – it is a comfortable 45-minute drive to either.

Once you've had a chance to look the convention agenda over, we think you'll agree that we have done our best to keep you busy. However, this is a Dude Ranch and there are various activities and amenities available which could be of interest to you – should you get your fill of Corvette "stuff" and be looking for something else to occupy your time.

The Ranch is adjacent to the Florida Kicco Wildlife Management area – a good place for a walk and you may see wild hogs or alligators as well as all the Florida Water fowl. The Resort operates a Trap and Skeet Range, has airboat rides on Lake Kissimmee, Swamp Buggy Rides, a catch and release pond, 9 hole Golf Course, Archery, horseback riding, a mechanical bull, 300 foot Zip Line and Miniature golf. For those of you staying over an extra day for Friday evening, they hold an actual rodeo complete with barrel racing and bull riding. On Friday and Saturday nights the Resort Saloon is open with adult beverages, line dancing, live music, and did I mention, adult beverages.

By the way, should you be wondering what to pack for the Florida weather in October. You can reasonably expect night time low temperatures of the high 60s to low 70s and high daytime temperatures of about 85 degrees – it will be really nice top down cruising weather. October starts the Florida dry season so, on the average, we get about 2 inches of rain the entire month.

Maybe a Corvette flag again this year?

Corvettes on Woodward

April, 2017

Dear Corvette Friends,

I hope this note finds you doing well and gearing up for another great season of cruising in our Corvettes. Many of you have asked what our plans are for **CORVETTES on WOODWARD** this year. I am very excited to announce that our beginning event (on Wednesday August 16, 2017) will be a morning tour of GM Heritage Center moving to **M1 Concourse** in Pontiac (www.m1concourse.com) for a meet and greet at noon.. In case you have not heard about **M1 Concourse**, it is an 87 acre playground for auto enthusiasts right on Woodward that includes a secure community of 250+ Private Garages and a state of the art 1.5 mile Performance Track with its own private Motorsports Club. The property was formerly a General Motors factory for 100 years!

M1 Concourse is going to be the largest facility of its kind in the world and they have already sold over 125 of the Private Garages. This will be the place to be during Dream Cruise. The owners have welcomed us with open arms and the facility can accommodate many more Corvettes than we have ever had before. Plus, they have a big tent to provide shade and food will be available. More info to follow.

Welcome to the Michigan Chapter SOLID AXLE CORVETTE CLUB

Michigan Chapter SACC Membership or Renewal Application - 2017 New___ Renewal___

Michigan Chapter Membership requires membership in the National SACC organization.

For record keeping: MI SACC collects both National and Chapter dues and submits your National dues to SACC National.

Solid Axle Corvette Club

The Solid Axle Corvette Club is for enthusiasts who drive and show America's first sports car., our beloved C1's. The Solid Axle Corvette Club invites you to share our enthusiasm and dedication to the Solid Axle Corvettes, and to enjoy the fellowship of our members.

SACC is the initials of the Solid Axle Corvette Club. So, just what is a solid axle Corvette? The rear axle housing on all 1953 to 1962 Corvettes was a one-piece shell. The rear differential (rear gears) and the axles were mounted within this rear axle housing. (The rear axle housing is sometimes called a solid [or straight] axle housing.)

Beginning with the 1963 model year, Corvettes had an independent rear suspension (IRS). The rear differential is built into the center housing: universal joints and short shafts (called jack shafts) transfer power to the rear wheels. Each rear wheel reacts independently to the road surface, and has earned the nickname "rubber axle".

The Solid Axle Corvette Club (SACC) is a non-profit organization dedicated to the preservation, care, history, and enjoyment of the 1953 to 1962 Corvettes. Ours is a family oriented club with membership covering all members of your family. You do not need to own a Corvette to join.

Road Rules

The *Michigan* is the quarterly newsletter for the Michigan Chapter of the Solid Axle Corvette Club and is published four times yearly (Spring, Summer, Fall & Winter). It is published in PDF format, e-mailed to members in good standing.

Membership in the Michigan Chapter is open **only** to members of the parent organization, the Solid Axle Corvette Club. The Solid Axle Corvette Club is a non-profit organization, serving members with an interest in 1953—1962 model year Corvettes. Ownership of a Solid Axle or any Corvette is not necessary to become a member of the organization.

The newsletter provides a forum for members to communicate with other members. As a result, the newsletter will often contain member opinions. Those opinions should not be construed as an endorsement by Michigan SACC or the parent organization, SACC.

Direct National SACC Membership questions to:

Lucy Badenhop, SACC NATIONAL
P.O. Box 2288
N. Highlands, CA 95660-8288
badenhop@comcast.net

Michigan membership dues, inquiries and corrections to the address list should be directed to the Treasurer:

Kathy Hutchins
9417 N. Rich Rd.
Alma, MI 48801
kjh41@hotmail.com

Membership renewal and application form on previous page.

Please submit articles for publication to the editor. Generally, articles for publication should follow the broad theme of anything of interest to the Solid Axle Corvette community". Suggested items for publication would include how-to articles, parts information, performance issues, scheduled events, restoration or repair information, and personal stories.

The Michigan Newsletter editor can be reached at:

Dave and Sue Ruby, Editor
Michigan Chapter of SACC
30120 Lincolnshire E.,
